## **Develop Essential VCE Skills with**

### A Deeper Knowledge of Examinable Areas

You will be instructed by leading VCE teachers on the specific knowledge requirements that are set out by the VCAA Study Design for each subject.

### A Practical Understanding of the Types of Questions Officially Examined by the VCAA

Through the completion of an extensive range examination style questions, you will gain a solid understanding of the types of questions that will be examined. This is a critical part of successful exam preparation.

### **Greater Self Confidence**

By developing greater self confidence in each subject area, you will become more confident and positive about your examinations.

## September Holiday Exam Preparation Program - 9 hours

Held between September 19th and October 4th 2020, our September Holiday exam preparation program helps you thoroughly review all key areas of study as outlined in the VCAA Study Design for each subject prior to the exam rush.

Direct emphasis is placed on detailed content review and probable exam questions. Experienced VCE assessors will provide hints, tricks and exam strategies for maximising ATAR scores.

### Key features of this program:

- 9 hours of detailed content review for each subject
- Emphasis is placed on learning and reviewing examinable content.
- Each student receives a set of bound, comprehensive revision notes, written to an A+ level
- All students will solve an extensive range of exam style questions ensuring thorough preparation for the examinations
- Each student is presented with at least 80 exam-style questions, with solutions provided upon completion of the program
- Available for Unit 2 and Units 3 & 4 subjects
- We allocate regular break time to a maximum of 90 minutes per subject, enabling students to stay focused and fresh
- An additional option for Mathematics students to attend a 3 hour Calculator Mastery Session. See below for details.

Students attending the Unit 4 September Holiday English program must attend the Analysing and presenting argument session, one Paired Comparison revision, plus one text revision. This structure has been adopted as it covers all the examination requirements for English. Students may select additional texts to attend.

### **ADDITIONAL SUBJECT SPECIFIC MATHS & SCIENCE APPLICATIONS & EXTENSION QUESTIONS CLASSES (9 HRS PER SUBJECT)**

In addition to the September Holiday Program these classes offer students the benefit of specific instruction on the most critical, difficult and highly probable applications and extension questions that are essential for achieving the elite scores for each subject.

During these classes, our expert teachers will breakdown each question to show students where the exam marks are given, ensuring that students are provided with every opportunity to understand the VCAA marking schemes and requirements for each question. This will enable students to obtain every possible mark during their examinations that may otherwise be missed. This program is available for Units 3 & 4:

Specialist Mathematics

- Biology Chemistry
- Mathematical Methods Physics

Duration: 9 hrs per subject. Investment: \$149.

Special Offer: Take the Additional Maths & Science Applications & Extensions Questions Class for only \$105 when you enrol in a corresponding subject for the September Holiday Program.

Please note: This program will not cover a full content revision and as such should not be done on its own. Students are advised to attend the September Holiday Program for their specific subject also to obtain a full content revision.

### CALCULATOR MASTERY SESSIONS

Learn the essential calculator techniques that you will need for semester two Maths Methods, and Specialist Maths in our Calculator Mastery Sessions. Both sessions are open to year 11 and 12 students:

Session I: TI N-Spire (CAS) Calculator Mastery. Duration: 3 hrs. Investment: \$69. Session 2: Casio ClassPad (CAS) Calculator Mastery. Duration: 3 hrs. Investment: \$69 Special Offer: Enrol in Maths Methods or Specialist Maths and take one of the calculator mastery sessions for only \$45!

### **Accuracy and Speed**

Develop accuracy and speed through exposure to all types of examination style questions, and being shown how to accurately construct your responses by VCE teachers who mark the exams.

### **Effective Examination Techniques**

You will develop the enhanced examination techniques that are used by elite A+ students. These techniques are proven to maximise your ATAR.

### **Powerful Study Habits**

Learn effective study habits that will improve the efficiency of your study time, and help you through VCE and beyond.

## End-of-Year Revision Program -10 hours, 6.5 hours or 5.5 hours

Conveniently scheduled between October 24th and November 7th 2020 and just a couple of weeks before the final exams, the End-of Year revision program provides that all-important last opportunity to ask questions and clarify key examinable areas.

This program provides students with a detailed revision of all examinable subject content leading up to the end-of-year exams. As part of the emphasis of this program, each student will acquire up to the minute tricks, hints and strategies on how to blitz the final exams from experienced VCE assessors.

### Key features of this program:

- 10 hours of revision for the Melbourne programs for Biology, Chemistry, English, Further Mathematics, Mathematical Methods, Physics, Psychology & Specialist Mathematics

## Our VCE teachers will help you succeed

TSSM's elite teachers are among the best in the State. To give you the best chance of success, each teacher is individually chosen after a thorough interview process and countless recommendations from their colleagues and students. Our teachers are **VCAA Exam Assessors, State Reviewers** and **Published Authors** with an in depth understanding of the specific course and assessment requirements of the VCE.

Our teachers have a knack for simplifying subject content that VCE students find difficult into more understandable and practical forms, helping VCE students optimise their performance in SACs and exams.

For more information about specific teachers for each subject, including complete teacher profiles, visit us online at www.tssm.com.au or phone us on 1300 134 518.

# Exclusive Benefits of attending our VCE Programs

By taking part in one or both of our unique exam preparation programs, you will develop sophisticated problem solving and time management skills, as well as powerful study habits and exam techniques that will help you excel in VCE and beyond!

### You will receive...

### A+ level comprehensive materials

- Detailed and comprehensive A+ level revision notes written by VCAA assessors, specifically developed to cover every study design dot point
- An extensive set of probable examination questions with full solutions outlining marking schemes

### **Excellent exam preparation**

All students who take part in our September Holiday Program or End-of-Year Revision Program classes also receive:

- Practice with likely examination questions
- Professional revision on core VCE concepts that reduces preexamination pressures
- Problem solving strategies often known only by elite students
- An open, 'ask questions' teaching environment
- Assistance on examination tricks, common student pitfalls and errors
- Interactive teaching that reinforces concepts taught at schools
- Individual motivation and support

### Additional Benefits

- Classes conducted by VCAA Assessors, State Reviewers and Published Authors
- Friendly, helpful teachers who can effectively help you achieve excellent examination results
- Each subject provides the most comprehensive exam preparation currently available with a revision of up to 28 hours (when students enrol in both programs and the Additional Maths and Science Subject Specific Applications & Extension Questions Classes)
- Classes cover all Areas of Study as prescribed by the VCAA Study Design
- We provide plenty of opportunities to ask questions

### Small, interactive classes!

Choosing TSSM means selecting the most effective VCE exam preparation in the **smallest class sizes**, our point of difference!

Benefit from our exceptional VCE teachers who mark the real exams in smaller class sizes providing:

- Thorough content coverage
- An interactive and question-based approach to learning
  Faster and more personality in the second s
- Faster and more personalised learning

Students are encouraged to attend both the September Holiday Program and the End-of-Year Revision Program for a given subject. This will provide students with the most detailed and comprehensive revision with an unparalleled up to 28 hours of class time!

Due to the popularity of our courses, we regularly allocate more than one teacher to a subject. This is always the case when Unit 2 and Units 3 & 4 subjects run concurrently. For details and full profiles of our excellent teachers please visit www.tssm.com.au.

## In-person or Live and Online^

- All TSSM presenters are qualified teachers who mark the real exams and have specific expertise in their subjects.
- Every Melbourne program will be offered "In-person" at TSSM's VCE Centre and "Live and Online". Students can choose.\*
- Every Regional program will be offered "In-person" at the respective regional venues. Students wanting to attend "Live and Online" should select the Melbourne classes when enrolling.\*
- Whether attending the class "In-person" or "Live and Online" all students will have access to the most interactive classes where they are encouraged to ask questions in our small interactive learning environments.
- Students attending TSSM's classes will have unlimited access to recordings of each class (upon request) for 7 days following the completion of the Melbourne Programs at no additional cost.

\*Due to the uncertain nature of restrictions and travel when printing this brochure, if "In-person" classes no longer become an option, TSSM will run all scheduled classes in Melbourne and Regional areas "Live and Online" only, at the same scheduled dates and times. TSSM will always ensure that students are provided with the highest quality in exam preparation whatever the circumstances.

All of our classes will reflect the current VCAA 2020 adjusted study designs for each subject.

## Why should I attend both programs?

- Each program focuses on a different aspect of exam preparation, enrolling in both programs provides the most comprehensive exam preparation currently available with up to 28 hours of exam class time!
- ✓ You'll get an early start with the September Holiday Program and will be able to identify your problem areas ahead of time.
- ✓ A fresh perspective; you're likely to have a different teacher taking the End-of-Year Revision program.
- You get a second chance to ask questions and clarify concepts just before your exams.
- Once you've completed the September Holiday Program, you'll still have the opportunity to undertake the End-of-Year Revision Program in October / November and further enhance exam skills and preparedness.

"This program was beneficial as it provided students with a comprehensive set of notes. The lecturer was interactive with the audience but also varied it up by showing videos of how these concepts applied to every day life. Overall I was very satisfied."

Jessica Clark
