## RAISING AMAZING GIRLS A PARENT SEMINAR

Please join us for an evening with co-Founder and CEO of *Enlighten Education*, founder of *Goodfellas* and best-selling author, Dannielle Miller.

Join Dannielle Miller for a presentation on the issues affecting our daughters today. Her seminar exposes the pain of teen-girl world - the body image crises, low self-esteem, and constant bombardment with toxic and hypersexual media and marketing portrayals of women. Dannielle reveals the reasons why so many teen girls today are stressed, overwhelmed, exhausted and angry. Most important, she draws upon her years of experience as an educator and student welfare advocate to give you the tools to help your daughter cut through the negativity and bloom into a happy, confident teen girl.
