

Holy Spirit College

A Catholic Coeducational Secondary College

TERM 2 WRAP

Term Two at Holy Spirit College has certainly been a busy yet exciting time! Our term kicked off with the school's athletics carnival held at Beaton Park. The conditions of the day were perfect, and we were lucky enough to have some amazing results. For the first time in a while, we were able to hold a whole College carnival, which was a fun and rewarding experience for all involved.

We were fortunate enough to finally be able to gather as a College community for Holy Spirit Day, a day to celebrate the amalgamation and founders of the school. The day started with a whole College Mass with Fr Duane, a strong supporter of the College. The Mass was followed with the traditional whole-school trivia, then the Year 9 Commerce classes, the SRC and Environmental Club ran stalls and activities for everyone's enjoyment. Holy Spirit Day is always a highlight of the school year, and we were incredibly fortunate to be able to hold it this year.

This term, the SRC also put together Soup Day. Soup Day was a massive success within the school. We made the soup using ingredients from our very own garden, grown and cared for by the College Environmental Group. On the day, members of the SRC gave up their time to help prepare and cook the three flavours of soup we had on offer, potato and leek, minestrone and pumpkin. As well as Soup Day, we also held Pasta Day, organised by our Language Department. Students were able to pre-order pasta for the day, and like usual, it was a huge hit.

After COVID-19 hit last year, our typical school-year activities had to cease, including our beloved school production of 'Mary Poppins'. The cast of this show had to 'wait in the wings' until we were able to put this show back on. For the past 18 months, the cast and crew of 'Mary Poppins' have been working diligently to put together the best possible show, which we were fortunate enough to premiere on 10 June. A big congratulations to everyone involved, it was practically perfect!

It has been a privilege to be part of the College this term. Being part of everything that happened was absolutely amazing and a true compliment to the talent and commitment of each and every person. Have an amazing and safe holiday everyone!
