

PARENT INFORMATION SESSION

Sexuality education begins at home and is supported by schools as a part of a broader health curriculum aimed at maximising children's wellbeing.

About Real Life programs are sensitive to and respectful of Catholic values and beliefs, and provide an excellent starting point for family discussion about human sexuality and respectful relationships.

You are invited to attend an information evening regarding the family sessions for years 4 – 6 and classroom sessions planned for year 6 in term 2.

Date : 29th April

Time : 7pm

Mode : Online via GoogleMeet meet.google.com/gnn-yvzo-khn

This **adults only** presentation will detail the content for the sessions and provide an opportunity to ask any questions you may have before they commence.

I look forward to speaking again with the parent community at St. James primary school.

Kind regards

Sue Pain

Manager/Educator
