Dear Sir/Madam,

Re: Landscaping Construction Apprenticeships

We are writing to let you know that we are always on the lookout for hard working, keen and eager individuals to consider a landscaping apprenticeship. We are hoping that you could get this message out to all your Year 11 & 12's that are leaving school this year.

Coolabah is an established landscape construction company that has been in business for over 30 years and has built a strong reputation within the industry. We are a 'one stop shop', ranging from design concepts to pool, landscaping and building construction.

A landscape construction apprenticeship requires a person who can work in a team environment, have a basic understanding of landscape construction and/or swimming pool construction and hold a current Australian drivers' license. We are based in the SE suburbs of Melbourne and have projects throughout Victoria, mainly in and around the eastern suburbs.

You can refer any interested students to our website at www.coolabahlandscapes.com.au or on Instagram at coolabah_landscapes

If you have any questions or would like to discuss in more detail, please feel free to contact me on 9763 4566 or email emma@coolabah.com.au

Kind Regards,

Emma Permezel
Executive Assistant
