

IVANHOE
GRAMMAR SCHOOL
courageous and kind

On Thursday 30th October, Ivanhoe Primary School welcomed Ms Shae Warren, Deputy Head of Year 7 and Transition Coordinator from Ivanhoe Grammar School.

Twelve of our Grade 6 students took part in an engaging session about what life at high school will look like — including subjects, timetables, uniforms, expectations, and school rules. They also had the

opportunity to ask thoughtful questions and gain a clearer understanding of their upcoming transition.

The visit was a valuable experience that helped our students feel more confident and well-prepared for their exciting move to high school next year.
