Rugby League – Around the Grounds

Year 6

A dominant performance from the Year 6 team saw them run over St Edmund's College 32 – 4 in a huge team effort – finishing with only one player on the bench for most of the game. The focus for the week was defensive structures and sliding defence, which the boys were brilliant in, keeping Eddie's to a nil score until about five to go in the match. Attack came naturally with a hat-trick going to Shea Caminiti, as tries were shared equally across the squad. Tex Higginbotham was the player of the match for his efforts in attack when in the back row as well as organisation when in the halves.

Year 5

The year 5 team had a bye this week but were lucky enough to have a friendly game versus Villanova who also had a bye.

The year 5 boys started well, running, passing and defending, but as they did last week, fell into the trap of going away from their structures and game plan.

A strong Villanova took advantage and ran in some easy tries to take control of the game.

This Saturday the year 5s have the opportunity to play Villanova again, come together as a team, complete their sets, play to their strengths and implemented structure in attack and defence.
