

Transition to School 2021

All children who are attending Para Vista Primary School in 2022 are invited to attend transition visits as detailed below. Children not attending will remain at preschool and joined by pre-entry children in week 5 & 6. If your child is attending Para Vista Primary School in 2022 and the visits are scheduled on a non-preschool day then your child may still attend providing a parent/guardian stays onsite during the visit (the Community Hub will be open for parents to use during the visits).
