

Vocational Education Delivered to Secondary Students (VETDSS)

John XXIII College offers our senior students following a Uni Transition or Training Direct pathway the opportunity to travel offsite one day per week to undertake Vocational Education and Training Delivered to Secondary Students (VETDSS). The table below lists some of our partner Registered Training Organisations (RTOs). Click the links to browse the courses on offer. Please get in touch with Jane Hedley or Kelli Beaton, should you wish to discuss how you, or your child, may combine offsite VET with their senior school studies at John XXIII College.
