THANK YOU & FAREWELL

Short from 7 years ago I embarked on an adventure starting my role at the Good Shepherd Parish.

Today with great sadness I farewell you.

I want to take this opportunity to thank you for believing, and having in faith in me!

Your trust and faith in me towards my work and beliefs had me strive to be more confident in delivering the best work possible.

It has been my joy and honor to work alongside you.

Thank you for your cards, gifts, e-mails, text messages and phone calls amongst the many blessings.

"I prepare and welcome new changes, new lessons and new adventures. I welcome new opportunities to grow emotionally, mentally and spiritually."

I appreciate everyone's support, the laughs and serious times had too. My very best wishes for the future on a personal note and at a Parish Community level.
