**Keeping your kids safe on  
their Apple iPads and iPhones  
(& iPod Touches)**

**Weds March 1st, 6:30-8:00pm**

Do you know if your children are safely using their iPod Touch, iPad or iPhone? Do they perhaps have access to websites, features and content that is not appropriate to their age group? Are you able to track the time and limit how long they spend on the device/apps. Do you know who they are able to contact (and who can contact them)?

Join us online on Zoom for this 90-min session (with time for Q&A at the end), where Lynette Coulston from **iTandCoffee** will empower you with essential information about how to ensure your child's safe use of these powerful devices.
