WHAT'S BEEN HAPPENING...

Mini Bake Off, Around The World, Eco Warriors, Fit Kidz and Art Master Class!

OSHClub South Melbourne launched our brand-new kids' clubs two weeks ago and the response so far has been overwhelming.

Since kicking off we have enjoyed activities that have included baking chocolate truffles, planting our very own grass heads, we have travelled to the United Kingdom and shared together a high tea with the Paddington bears we made, we have learnt how to paint like Van Gogh and tried our best at re-creating a stary night and kept active with our AFL skills and drills and so much more!

See page 3 for just a few of our captured magic moments.

SPECIAL ANNOUNCEMENT

*A message for all the incredible children and families of South Melbourne OSHClub. I begin by saying a **HUGE** thank you too everyone for the overwhelming love and support I have felt since joining this community. My journey began in 2019 and I have thoroughly enjoyed each moment. I feel blessed for the relationships I have built and the opportunity I have had to watch so many of you grow into the incredible children you are today.*

I now have a chance to take everything I have learnt and share this with many others as I have accepted a role as a Regional Operations Manager. I am looking forward to this new chapter and am pleased to announce that I will still be heavily involved in South Melbourne OSHClub and look forward to seeing you all during my service visits.

WELCOME TO OSHC AT HOME

Join us for an afternoon of fun and games !

At South Melbourne OSHClub we recognize how difficult these lockdowns can be and although we must stay home to keep everyone safe, we have been brainstorming a way to stay connected with our wonderful families.

We would **love** for as many of you to join us via WebEx for an afternoon of fun and games with OSHC at home. A link will be provided to you shortly along with a timetable with all the amazing activities. This is an event not to be missed. See you soon!

Stay tuned, more to come!
