Payment methods

There are three options regarding payment of the above items:

- Pay As You Go:** You will be notified of the cost of each relevant activity and a receipt will be issued for each payment.
- Pre-Payment:** This option is very popular and allows you to pay an amount up front. Once the office has received your child's signed permission form, automatic deduction will occur from your pre-payment plan. You will be notified as your pre-payment needs topping up. All families will be provided with a statement of expenditure each term and on request. NOTE: Parents & Friends School fundraisers, Book Club, Lunch Orders and School Photos are NOT included in the pre-payment plan.
- Individual Negotiated Plan:** This could include weekly, fortnightly, or other payments but MUST be negotiated by contacting the Principal or Business Manager.

Non-Payment of Extra- Curricular Items and Activities

Children will not attend activities unless payment has been received OR you have discussed the situation with the Principal. We are aware that at times special circumstances exist which need to be considered BUT you must contact us prior to the activity occurring.
