Road Safety in Front of the School

The P&C has been trying to get some clarity on road safety in front of the School for some time. We finally seem to have seen some success. Thank you to Peta Swilks and Brad for pushing again and bringing some measure of progress.

The large potholes have been filled, making access to the turning bay easier.

Further news from the Uralla Council has indicated that the traffic conditions on the main road will be altered by painting double unbroken lines for the full distance of the school grounds. In effect, this will mean it will be illegal to make a u-turn from the parking bay opposite the school across to the school, and that the safer, designated turning bay (where the bus turns) must be used.

THANK YOU

...Kevin Northey for your fantastic, and very creative bench seat. This is will be well utilised by the students, and serve a a great reminder of man's ability to generate electricity.

Future Discussions

- Thunderbolt's Festival & Lantern Parade - Saturday October 28th
- Yr 6 shirts
- Yr 6 Social/Farewell Disco
- Aboriginal design shirts/hats
- Regional Australia Bank Community Partnership reward

Save the Date

Friday 1st September

Father's Day BBQ Breakfast

We want all our fathers and father figures to know they are an important part of their families and our School community, and that they have so many skills to contribute to improving opportunities for their kids.

FREE Breakfast - from 8.00am!

Let's Hang It!

CONGRATULATIONS to **Harrison Cain** for being runner-up in the Primary section of the UNESAP Let's Hang It Art Prize.

The exhibition will be on display at NERAM
28th July – 13th August.

Voting for the People's Choice Award remains open until 6.00pm on Sunday 13th August, it would be great if our school families could support our student by voting online:
