

FOOTBALL AROUND THE GROUND

1ST XI WRAP UP

The boys knew going into the game that it was going to be tough with ATC winning numerous preseason games against other AIC and GPS schools. However, we were confident in our ability and the work we had put in during preseason especially at the 3-day camp at the end of the holidays. The boys started positively, creating numerous chances early in the game. However, two quick goals from ATC slowed the momentum of the match. At half-time 2-0 down was not where we wanted to be, but we saw positives from the first half and knew in ourselves if we performed in the second half, we could turn the game around. Although, a dominant second half with a handful of opportunities we were unable to close the gap with the game finished 2-0 to ATC. Not the result we wanted going into the first round, but the boy's effort and dedication could not be questioned. We will take the positives from the game and this week will work to tighten our weaknesses in preparation for St Laurie's this weekend.
