

...en happening...

We've been getting cold mornings as winter has mad itself known. The wet rainy weather may keep us indoors but we still ensure that fun is going on.

With the wet weather, we've been thankful for the use of the gym hall where we have run group games; Fruit salad has been incredible popular in the last weeks. The children have also been really engaging in football games, such as mark is up.

Stretching our creative fingers, the children have made some wonderful paintings with us! We have been creating some amazing lanterns and cushions with the assistance of the educators and the children here.

We would also like to thank everyone who came out to the community breakfast and enjoyed it with us. It was wonderful to be able to give back to the wonderful community here at Dohertys Creek!

Drop off for Before School Care

Please ensure you are dropping your children off into OSHClub. Children are not to walk themselves from the Elmhurst Gate, this is not only so staff can greet parents but to ensure children arrive into care safely.

General Reminders

Gym update!

NEW green/chill/rest zone, recently the team have identified a hazard that has been worked on during week five. Bright green cones will be placed approximately 2-3 meters away from the bottom seating bench, if you're within the green zone this area is purely to rest or chill to prevent incidents happening closer to the bench within the gym. OSHC gym rules are in review between the staff and children, new rules will be posted on the glass window between the OSHC office and gym.

Notify us of Absences

In the unfortunate case of your child being ill in the upcoming weeks and colder months, it is important to ensure that you are letting the team at Dohertys Creek OSHClub know by either sending us an email on dohertyscreek@oshclub.com.au or sending us a text on 0428 671 093. Please note that we will not be able to answer the phone when the service is not in operation. To avoid any fees associated with non-notification, please ensure that you contact us and inform the team of your child's absence.

Pick-Up Safety

In the circumstance of staff not recognizing a parent, they may ask for ID to ensure your child's safety. We value the safety and the wellbeing of all the children in our care and during pick up time we may need to request ID to confirm who is allowed to pick up the children within our care.

In the case that you might wish for another person or carer to pick up your child, please send the service a written text or email confirming the name of the person picking up your child and remind them to bring ID as staff will check this against the information you provide.

Thank you for the understanding.
