

# Holiday chicken helpers needed

The holidays are fast approaching and our beautiful chickens need care while school is on break.

In the morning, the chickens need to be unlocked, and given breakfast and fresh water. In the afternoon/early evening, they need to be given dinner and fresh water, and locked up safe and sound for the night. Each 'shift' takes around 5 minutes.

If you are able to assist, please complete the below form and return it to Mme Wilson by Wednesday 27th March. Alternatively, you can email Mme Wilson via Compass with your availability.

Sparkle and Sapphire look forward to your visits during the holidays!
