★ GREAT WORK

Water Wather

On Thursday morning we had an Incurstion for the grade 2s. On thurs- day at room 17 next to 2N. I liked learning about water. Trudy taught us lots of interesting things about water. A good way to save water is to switch off the tap hose and

washing machine When
you don't need those.

My favourite water
watcher is washy but my
favourite activity was
the washing machine.
