SALT AND LIGHT IN A POST-TRUTH WORLD

How can the 21st century Christian navigate the increasingly volatile marketplace of ideas? What does the Christian message have to offer hearts and minds in a world of such unprecedented diversity? This session will set out the beauty and fundamentals of the Gospel, by looking more closely at three foundational issues: the nature of technology, the nature of success, the nature of people.

Mark Stephens

Lecturer in New Testament, Sydney Missionary & Bible College (SMBC)

GOING PUBLIC WITH JESUS: LIVING FAITHFULLY WHEN YOU CAN'T CONTROL THE RESULT

When you live for Christ you are light in a dark world. Some will be attracted. Others might ghost you. Some may even attack you. You can't guarantee how people will react. 1 Peter encourages us that Christians have been here before. Our job is to speak love, suffer with grace, and act in holiness. Living for Jesus is always worth it, even when you can't control the result.

ACHIEVEMENT ADDICTION

Is winning or coming first a big deal to you? Maybe top grades are your thing, or sporting glory, or being popular. It's easy to become obsessed with tracking and measuring our success. But the problem is that it becomes difficult to not base our identity on our accomplishments. What might life be like, and how would our sense of self-worth change, if we were no longer addicted to achievement?

What is Masterclass?

Bible Society's Masterclass events are for students to explore contemporary issues from a biblical perspective. Endeavour will also share snippets of a Q&A session which gave students the freedom to ask the panel of speakers searching questions about the Christian faith.

Pastor Chris and Chaplain Simion will also answer some questions at Endeavour's event. Your students are frequently challenged to give a reason for the hope they have in Jesus. Masterclass helps young Christians to grow in their confidence living in today's society.

Please note: This event will be livestreamed. Arrangements will be made for those who do not wish to be filmed or photographed on the day.
