## TEESDALE PS

Hello Teesdale OSHC Families. We can't believe it's the final week of term 3--where has the time gone! Children celebrated Father's Day/Special Person's Day and we looked at ways in which we could be more inclusive with one another. There's been plenty of craft, as always children come up with some super creative ideas which is always great to see. There has been plenty of group play and outdoor play--as the weather warms up we are even more keen to get outside. It is also a timely reminder for parents to please bring in a hat for term 4 that could stay here so children are not stuck indoors or under cover when it's time to play! See you all in the new term! Rachael + Stacey
