

# MAZENOD COLLEGE

27 July 2020

## Oblate Mission Action Term 2020

Dear Parents,

As you know, Mission Action Day is the biggest fundraiser of the College year, and combined with the contribution of Iona College, we fund about 40% of the vital humanitarian work done by the Oblates. So far this year assistance has been given to Oblate missions in China, Indonesia, India, Sri Lanka, Bangladesh, Pakistan, Philippines, Kenya, Zimbabwe, South Africa, and Bolivia.

In light of the global pandemic and the postponement of MAD Day, the Year 12 Leadership Team wishes to emphasise the critical importance of our collective contributions. At the same time, we want to acknowledge our gratitude for \$6000 already donated by our Mazenod families. This is not an appeal to these families who have already donated.

For many around the world, COVID-19 means a loss of employment and loss of essentials like nutritious food and clean water. If people in impoverished areas don't work, they don't eat, so staying at home is not an option for many. In the missions the Oblates are working with people they know, and **any money raised through tax deductible donation will go to emergency help and development projects for those in need.** This money cannot be used for religious purposes. **Non tax deductible donations may go to religious activities of the Oblate missions.** In many cases, those in the missions rely on our donations, so it is critical we do all we can to support them.

**We understand that for many in our community these are increasingly challenging times. We ask only if you can afford it that you donate to a truly deserving cause.**

Please find attached the Oblate Mission Action Term 2020 Donation Drive Form where you can complete your details and contribute to the work of the Oblates. This form can be returned to the MAMI office via email to [mami@oblates.com.au](mailto:mami@oblates.com.au) or via post.

May God bless and keep you and your family.

Regards,

*Dylan Peiris*
