

## Parent Teacher Interviews

February, 2019

Dear Parents/Guardians,

You may have noticed that our school has Parent Teacher Meetings early in Term 1. Foundation parents will not need to sign up to these on Sentral (my name isn't listed) as I will be meeting with you for 10 minutes at the conclusion of your child's assessment on the Wednesday they are scheduled for.

Please discuss with me, during that time, any questions or clarification you need regarding your child's progress. It's a great time to discuss their personal learning goals too.

Look forward to meeting with you at the scheduled Wednesday appointment time.

Kind regards,  
Blair Blackburn
