Around the Grounds

6A

After two weeks without training or games, we were eager to get back onto the footy field with the aim of finishing our strong season with another win. The wet and muddy conditions meant that it was anyone's footy game, and to win we would need to be sharp with our skills and strong in the contest.

Throughout the whole game we fought extremely hard and were neck and neck with the strong Iona opposition. However we were unable to convert our strong pressure into goals, and Iona ended up with the result. It has been a great season from all the boys, each one has shown a great deal of improvement in multiple facets of the game, and I strongly encourage the boys to play again for both school and club teams in the future

6B

6C

It was not the way to end the season for the boys, but they never gave up until the final siren Iona, was the only team to beat us this year and unfortunately, they got us twice.

6D

Great hard-fought win from the boys. It was neck and neck the whole game. every player left everything on the field today in the last game and it showed in the win and their undefeated season.

5A

5B

Strongly outplayed today by team that showed a lot of hunger for the footy, passages of good ball movement and pressure by Marist but lacked the completion, marking up on opponents and lack of contested ball let us down today after a very good season otherwise to finish on 3wins 2 losses. It's been an absolute pleasure to coach these boys and watch the massive improvements made throughout the interrupted season. Thanks to all at Marist and coaches.

5C

Finishing of the season with an exciting win, coming off the first quarter 8 points down, the boys dug deep scoring 6 goals to seal the win against Iona in the next three quarters. A great season for the 5C boys.

5D

5Ds had a cracking final game - winning the first quarter and drawing in the second. Unfortunately, Padua snuck in a few goals to take the win but the boys certainly made them work for it!!
