YOUR CHILDS SAFETY

To ensure your child is safe we have implemented several strategies. Front line measures like washing your hands every 30 minutes with soap and hot water and practicing social distancing. We have found some children aren't sure on what 1.5 metres looks like we introduced 'Do the plane' Children put their arms out sideways to make sure they are playing safely. This has made social distancing fun and understandable. We place sneeze boxes (tissues) all around the room and give children tissues to place in their pocket.
