

# Improving Reporting

1. What do you want to know about your child's experience at school? Do you receive this information from us?

Your answer

---

2. How much information do you want about your child's experience at school? Are you receiving about the right amount of information, too much or too little information?

Your answer

---

3. Are the ways that we share this information with you easy to understand?

Your answer

---

4. How (i.e. through what modes) would you like to receive this information? (Printed, email, SMS face- to-face etc.)

Your answer

---

5. Do you know what is expected of your child/ren at each year level?

Your answer

---

6. Is it important to you to understand how your child's achievement compares with what is expected at this year level?

Your answer

---

7. Is reporting personalised enough to your individual child?

Your answer

---

---
