I think it is good, because online u can use messaging apps and built up friendship with other people, and be able to message ur friends when ur feeling bored or lonely.

11/06/2025 02:24 pm

Because it not good for my brain and vision.

11/06/2025 02:24 pm

Because it is bad for your eyes and you can get subjected sometimes to bad videos and that can break your mental health.

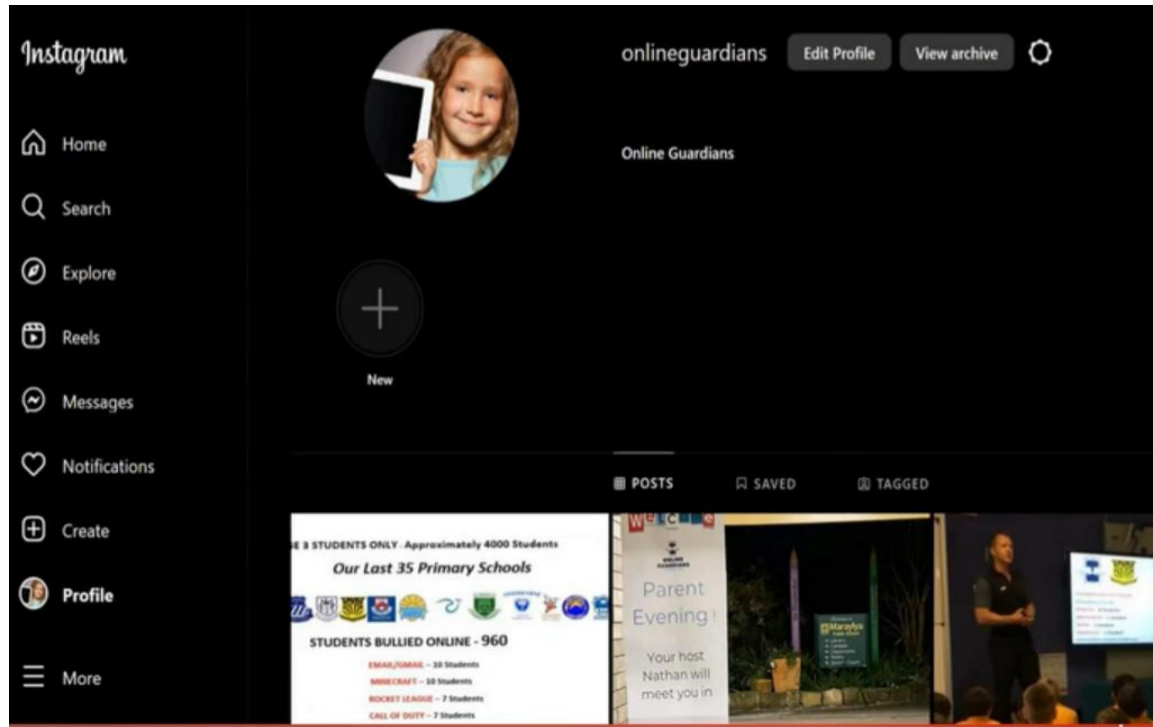

11/06/2025 02:24 pm

Because it is bad for your eyes , it is distracting and sometimes inappropriate.

I just follow my mum and dad.. alwsys on it. mayb they should come to this 🤖
