With the recent depressed economic conditions over the past twelve months or so, we understand how difficult it is for parents to meet the cost of living, especially with school aged children.

If you feel that you are in the need of financial assistance, the Shepparton RSL have funds available for families if either parent are currently, or have previously served in the Australian Defence Force or Allied Defence Forces. Funds are available to meet School Expenses, such as Uniforms, School Fees, Books, School Excursions etc.

If you require assistance please contact the Shepparton RSL on 5820 4100. A Committee Member will then contact you to arrange an appointment to discuss.

Proof of Military Service will be required.
