CAPA

The University of Sydney Elite Athletes and Performers and Future Leaders Schemes closing

Closes 31 October 2022

If you are an athlete or performer and your rehearsal, training or competitive commitments have significantly impacted your Year 12 studies, this scheme allows you to receive adjustment factors to increase your selection rank when applying to the University.

<https://www.sydney.edu.au/study/how-to-apply/undergraduate/admission-pathways.html>

What is UNSW Portfolio Entry?

12 December

With UNSW Portfolio Entry, your pathway into uni is unique - just like you.

UNSW Portfolio Entry includes

- Art & Design Portfolio Entry,
- Built Environment Portfolio Entry,
- Bachelor of Information Systems Admissions Scheme (BISAS) and the
- Faculty of Engineering Admissions Scheme (FEAS).

Here at UNSW, we want to reward your passion, creativity and potential to succeed in your degree area. That's why we offer UNSW Portfolio Entry, which gives you the opportunity to demonstrate your passion and talent, alongside your ATAR.

Please be aware that the information listed is subject to change. For further information on any of the above or for general inquiries please contact the careers faculty. Email careers@khs.nsw.edu.au

Eve Kiernan, Joe Evans & Paul Bollard (Careers Advisers)

If this sounds like you, we want to see your portfolio submission. It's an easy, online process, and can only ever boost your chances of admission. What you submit in your portfolio will depend on which degree you're interested in. Remember, your UNSW Portfolio Entry submission needs to be completed in addition to your UAC application.

Please note, individual faculties may decide to open a second round to accommodate more applications after ATARs are released. The second round will be dependent on the number of places available in the program.

Portfolio Entry gives you the opportunity to demonstrate your passion and talent, alongside your ATAR.

UNSW Portfolio Entry is one, easy online process. You'll select up to three degrees that you're interested in and be guided through what you need to submit

All domestic student high school leavers who are applying for an eligible degree, and expecting an ATAR within 10 points of the lowest selection rank for your degree (unless otherwise stated)

[https://www.unsw.edu.au/study/how-to-apply/undergraduate/admission-pathways/portfolio-entry#:~:text=FEAS%20is%20an%20alternative%20pathway,Guaranteed%20Entry%20Rank%20\(GE\).&text=FEAS%20applies%20to%20most%20UNSW,Rank%20\(GE\)%20of%2091](https://www.unsw.edu.au/study/how-to-apply/undergraduate/admission-pathways/portfolio-entry#:~:text=FEAS%20is%20an%20alternative%20pathway,Guaranteed%20Entry%20Rank%20(GE).&text=FEAS%20applies%20to%20most%20UNSW,Rank%20(GE)%20of%2091)

TAFE for Music, Fashion, Art, Floristry, Photography, Sound, Design, Signs, Graphics, Film and Screen

Creative, fashion and music courses offer students a chance to explore their passions and bring their artistic ideas to life. Courses in this sector are formulated to equip you with the practical skills and background knowledge you need to accomplish detailed design tasks and utilise the latest technology within any organisation.

AMPA Audition Advice for Music and Performing Arts - What happens in an audition?

How to Apply

Take the lead and join one of Australia's leading providers of music and performing arts education. There are 3 intake periods for you to start your journey with AMPA:

Intake 1 (Jan/Feb) | Intake 2 (May) | Intake 3 (Sep)

To download the full audition guidelines for each AMPA degree, please visit the 'How to Apply' section of this website, or click here to go there now.

How should I prepare? Choose your audition pieces carefully and know them well. Choose songs that you feel most confident with and that show off your full range of skills. Feel free to utilise backing tracks and accompaniment. Most importantly, relax and enjoy the process! If you have any questions beforehand, please feel free to get in touch with our friendly Admissions staff on 02 9310 3111 or by emailing admissions@ampa.edu.au

Please see below for further details on what to expect when applying for AMPA.

<https://www.ampa.edu.au/index.php/future-students/fqas>

See more here:

AIE Open Day

Discover the courses designed to get you started in game development, 3D animation, film and visual effects at the AIE Open Day. This event will be held at AIE Campuses in Sydney, Melbourne, Canberra and Adelaide from 10am to 3pm.

AIE's Open Day is a great opportunity to meet our teachers, staff and students. The day will cover everything you need to know about the:

- careers in games and VFX that we train students for;
- studios and industries that we work with;
- courses we offer - from beginners to professional mastery, and;
- the software, skills and knowledge we teach.

AIE's Open Day will also include presentations on entry requirements and how to apply. Find out how AIE can get you into a creative career.

https://aie.edu.au/aie_event/open-day/

Bradfield Senior College Open Day

Bradfield Senior College is located at TAFE NSW St Leonards and specialises in creative industries subjects. Applications are now open for students to study the HSC in 2023. Register to attend the Bradfield Senior College Open Day to find out more and explore the facilities.

<https://www.bradfield.nsw.edu.au/events/open-day-1810/>

PDHPE

UOW College Certificate III in Fitness for Year 11 & 12 students

Students will learn from industry experts using the high performance training facility located at the UOW UniActive gymnasium. Whilst this course is highly practical in nature it also aims to prepare you academically for further study. Upon completion of the statement of attainment, you may apply to study the remaining units required to be awarded the full SIS30315 Certificate III in Fitness qualification.

As a part of this course, you will learn from experts in Strength and Conditioning, Nutrition, Exercise Physiology, Customer Service, Communication and First Aid. You will have use of the UOW's own high performance training facility, accessing the latest programming equipment and attend tutorials and workshops with local industry experts in the field of Sport and Exercise Science. This course also includes mandatory work placement with the UOW UniActive gymnasium or Innovation Gymnasium.

The UOW College eVET (Vocational Education & Training) program provides a range of course options that you can study while you are completing years 11 and 12.

UNSW Girls in Engineering Club

The UNSW Girls in Engineering Club is a fun, inspiring community for high school girls interested in a career in engineering. We provide opportunities to explore the diverse fields of engineering where you can connect and share ideas with fellow high school girls. You'll hear from inspiring role models such as UNSW Engineering students and female engineers who are already making their mark on the world.

By joining the club you will receive:

Exclusive invitations to Girls in Engineering Club events

Monthly inspo delivered to your email, featuring profiles of female engineers, study tips and more!

Opportunities to be mentored by female engineering students

Access to a closed Facebook community to connect with likeminded girls

Regular workshops and challenges

Science Extension Workshop

Spend a day learning about the HSC science extension course exploring best scientific practice, experimental design, research techniques and reviewing statistical analysis of data.

We will focus on Modules 2 and 3 of the Science Extension course. Half the day will be spent exploring best practice experimental design and identifying potential challenges, with a view to good designs producing good analyses.

The other half of the day will be an exploration of various statistical hypothesis tests as detailed in the syllabus.

<https://www.sydney.edu.au/science/industry-and-community/community-engagement/science-extension-workshop.html>

Medentry UCAT Prep

2 Pieces of the Medical Interview Success Puzzle - Medical Interview Strategy Day. Learn the strategies needed to succeed in a day long session with Dr Ray, Consultant Gastroenterologist with 20 years' experience in medical interview training. Dates: 5, 11, 20 Nov, 8 Dec. Tailored Mock Interview: Practice with a full length, university-specific mock interview, and receive feedback.
