

Did you know you could foster a puppy for a **year** and change someone's life **forever**?

Become a foster carer and do something amazing for someone in the community and help change their life. There are no outgoing costs to you and we are there every step of the way.

Dogs for Life runs an animal assisted program to help people with disabilities such as Autism, Post Traumatic Stress Disorder, Depression, Epileptic seizures, to name a few, who need the help of an Assistance Dog to be able to live an independent and empowered lifestyle.

What do you get?

You get an amazing and fulfilling experience for the whole family, especially young children, watching a joyful puppy grow into an Assistance Dog, knowing that YOU all made this happen!! This invaluable experience also teaches you some special insider trainer techniques and shows your children the true nature of compassion and the gift of giving.
