

St Therese's School Review Survey Parent Survey

The process of school review is an important element of the ongoing improvement of schools in the Diocese of Sale. This survey tool is a way for your school to examine its practices and shared understandings as a way of identifying practices to be maintained and strengthened, and opportunities to be addressed moving forward.

As a parent, you have an important perspective to share. Please answer each question, rating your response on the five-point scale. Responses are anonymous and will assist the school in its school review.
