

CITY ROBOTS

SCHOOL HOLIDAY PROGRAM

The City Robots program gives year 5 and 6 students the opportunity to participate in a unique robotics program exploring the opportunities with coding and programming robots mixed with football and physical activity with our football community coaches!

NUMBERS ARE LIMITED!

To register contact lauren.Diminick@melbournecityfc.com.au

LA TROBE SPORTS PAVILION

LA TROBE UNI, BUNDOORA

Monday 28 June, 2021

10:00am - 3:00pm

Tuesday 29 June, 2021

10:00am - 3:00pm

Thursday 1 July, 2021

10:00 - 3:00pm

Full Day Session: \$85

Includes ScoreBot Robot to build and take home and football activities with our Melbourne City Community Coaches.

Students are asked to bring lunch and a drink bottle.

Please note that Melbourne City FC will be following strict protocols in line with the guidelines set around a return to play following the COVID-19 pandemic. These protocols are in place to ensure a safe environment for all participants.
