Dear parents and guardians of 2A and 2D,

As you may be aware, GWPS learners are busily rehearsing for *Enter the Multiverse*, our 2023 School Production.

The event will be held at Robert Blackwood Hall (Monash University Campus, Clayton) on the evening of **Thursday, August 10<sup>th</sup>** as two separate shows (Junior P-2 and Senior 3-6). Tickets for family and friends will go on sale in the first week of Term Three (more information to follow). A flash drive video and digital download of the event will also be made available for families to purchase in Term Three. In the meantime, we are providing the following information to provide families with as much time as possible to organise some of the children's costume items.

**\*\*\* If families wish to make a robot torso as a holiday project, please ensure that it allows free movement for dancing!!!**

We will be holding a **FULL DRESS REHEARSAL** in the school gymnasium on **Wednesday, August 9<sup>th</sup>**. Students **will need to bring** their full costume to school in a named plastic bag (please ensure all items inside are also named) on this day. The costume will remain at school overnight and be worn once again on **Thursday, August 10<sup>th</sup>** when students travel via chartered bus to and from the **TECH REHEARSAL** at Robert Blackwood Hall (during school hours). After school, students will take the bag home and wear their costume to the Robert Blackwood Hall event (parent drop-off and sign-in will be required).

Students should wear their regular school uniform to school on both of these days.
